

TRADE TENDERING / MANAGED DELIVERY / FBC LONDON

Orpington kitchen and dining space

A further phase of the same Orpington residential project

Following the garden and lounge works, Paul tendered the trades for the kitchen and dining phase and managed delivery to achieve the finished interior shown here.

FBC LONDON KITCHEN AND ISLAND

The kitchen

Identified by Paul as an FBC London kitchen, with a stated value of over £200,000. This figure refers to the kitchen and is based on his account; it is not presented as the overall project cost.

Our role

Trade tendering and management of delivery. Kitchen design credited to FBC London.

FINISHED DINING SPACE

SAME CLIENT / SAME PROPERTY / FURTHER PROJECT PHASE

A connected interior

KITCHEN AND DINING SPACE CONNECTED TO THE TERRACE

Part of the wider Orpington transformation

This kitchen and dining case study belongs to the same property as the garden and lounge portfolio entries. Together, they document different phases of one residential project.

Planning your own refurbishment?

Send Middle Man your plans or project details to discuss tendering to relevant trades and the option of managed delivery.
