

LOUNGE REFURBISHMENT / TRADE TENDERING

Orpington lounge transformation

Orpington, Kent | Project experience of Paul Summerfield

Paul tendered the lounge works across five specialist disciplines: electrics, tiling, plastering, painting and interior design.

CONSTRUCTION STAGE

FINISHED FEATURE WALL

The approach

The work was tendered to the relevant trades rather than treated as one undifferentiated package. This case records the trade-tendering experience and the finished room shown in the supplied photographs.

Disciplines tendered

Electrical works / Tiling / Plastering / Painting / Interior design

CONSTRUCTION TO COMPLETION

The room in detail

EXPOSED WALLS DURING WORK

FINISHED BAY-WINDOW SEATING

FINISHED LOUNGE: LIGHTING, DECORATION AND INTERIOR FINISHES

Photography supplied by Paul Summerfield. Project narrative based on his account.

RELEVANT TRADES / CLEARER COMPARISON

Plan your next project with Middle Man

**One room. Five disciplines.**

Even a single-room refurbishment can involve several specialist trades. This lounge demonstrates the range of expertise Paul tendered for the project.

Considering a refurbishment?

Middle Man helps you put your project out to relevant trades and compare their prices before appointing contractors.

Send your plans, photographs or project details to start a conversation.
